

# Sharing Our Faith

## The Meaning of Life

First Corinthians 12:6 & 20 “And there are diversities of activities, but it is the same God who works all in all. ...But now indeed there are many members, yet one body.” NKJV

In this chapter Paul is talking about spiritual gifts and jealousy. Later in that chapter, Paul explains that the eye cannot say to the hand, “I don’t need you!” In a similar sense, the head cannot say to the feet, “I don’t need you!” On the contrary, those parts of the human body that seems to be weaker are indispensable (I Corinthians 12:21f).

For example, one of my friends lost his thumb in a work accident. You might consider the thumb to not be important but don’t say that to my friend who struggles with ‘gripping’ just about anything now with that hand.

Each part of our human body plays an important part in a healthy functioning body. Likewise, each member of the 70 West body plays an important part in a healthy functioning spiritual body. As a minister who is upfront often during the worship service, it’s easy to place importance on what I do but actually everyone is important. Each member, from the ones who lead our worship service to even our youngest members are vital to the work.

As we slowly come back together let’s not overlook each and every person. Look around today and try to remember those who were here before the pandemic and have not come back yet. Reach out to these dear members and let them know we are missing them. Let’s show love to all!

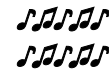

Our regular Bible classes have resumed. Please don’t forget all of our adult classes (4 different classes taught by Tim Togami, Jonathan Bonde & Sean Rall, Carl Johnson and myself) along with our teen and children classes.

## JUNE 27 - JULY 1

# “FLOOD”

**And We're Off!**

Summer has officially begun! We are in the Great state of Alabama this morning at the Indian Creek Youth Camp. While we are away, we will certainly be missing you all. We will return on Friday. This week is an exciting week for our youth group. If you were not able to go to this camp, we will go to another.

Our second camp for the year will be in Maud, Texas. Camp Ida will be July 11<sup>th</sup> -16<sup>th</sup>. Make sure you are a part of this camp. If you are camping age (going into the 5<sup>th</sup> grade – recently graduated), register today and fill out your medical release form. If you are older than camping age and you want to be a part, I need help! I need a few more counselors. This camp will be a “shot in the arm” spiritually speaking. We will study the book of Joshua. It will also be a fun time. We will make sure we have a great time together. Do not miss out.

As you sit at home missing us, remember: You can send mail to ICYC! The person receiving that mail will have to do something to get that mail like sing a song. **Send your mail to: 7855 Pleasantfield Road, Oakman, AL 35579.** The United States Postal Service has a lot of volume in mail, so send your mail early in the week. More information will be given about the mailing process for Camp Ida later.

As camps and other events are scheduled every other week, we will also have tasks and fun times which are not scheduled on the weeks we are not at camp. Last week we played T-Rex putt-putt golf. You need to be a part of these times. This is a time to grow together and grow as a group!

As summer has official begun, time will quickly pass. We will have fun and you will not want to miss out!

We love you all and we will see you soon.
