

Sharing Our Faith

Family Reunions are FUN! They are often full of fun, food, and fellowship. My mother's side of the family has conducted an annual family reunion since I was a little boy with as many as 200+ showing up. My mother's family took the 'be fruitful and multiply' command to heart! Mom's four children were a small number compared to her brothers and sisters' offspring. Her oldest brother and sister-in-law had 21 births. For the first time in 57 years the reunion was postponed last year due to COVID. This past weekend saw the return of the DIAL Reunion.

Today we are enjoying an incredibly special FAMILY REUNION as we return to the days before COVID ... resuming our regular Bible classes for all ages and our customary worship times. This has been a FAMILY REUNION I have longed to see for over a year. The 70 West church of Christ family is so dear to me, and I celebrate our return to normalcy. Welcome back all!

Our ultimate FAMILY REUNION will be our victory in heaven when our Lord welcomes us home!

Our sermon series on MARK continues today as we examine chapter 14.

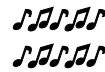

If you don't have a regular class you attend, please be my guest in the auditorium as I am doing a very detailed look at the FINAL WEEK OF JESUS' MINISTRY. A study notebook is available for this class.

Please join me Monday-Saturday for our online Bible study classes, BIBLE INVESTIGATION and FUNDAMENTALS OF THE FAITH. These classes are available on the church's Facebook page and YouTube channel.

Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.

³ For I rejoiced greatly when brethren came and testified of the truth that is in you, just as you walk in the truth.

⁴ I have no greater joy than to hear that my children walk in truth.

³ John 1:2-4

Welcome Home

“What a day that will be, when my Jesus I shall see. And I look upon His face, the one who saved me by His grace. When He takes me by the hand, and leads me through the Promised Land. What a day, glorious day that will be.”

We often sing this song as we look forward to the Day God will judge all of mankind, separating His sheep from the goats and ushering the faithful into an Eternal Home with him. As we look at these lyrics today, we can see another meaning.

Welcome home to those who have been out due to the COVID-19 pandemic. We cannot express how much we have missed seeing and fellowshiping with you. With the restrictions lifting and the state returning to a sense of normalcy, it is almost a sigh of relief! This day is a very exciting day. We are so very happy and relieved to see you together again. It is great to have the Family back together.

Welcome back to those who have been attending the “early services” during the pandemic. I know that I had a chance to see you and interact with you during this time, but those who came to the later services did not. Rest assured that we will all be giddy to be back together.

With all of us coming together again, one great question arises: What will we do now? We learned that the Gospel can go out when we think it should not be able. We realized that the church is a strong family. We uncovered the fact that struggles make us push harder to glorify God. Please let me urge you and I to not let this fire go out. Let’s keep burning to be lights in a dark world. Michael will continue his great work online. The church will continue to meet. The youth groups will continue to meet and grow. YOU NEED TO BE A PART OF ALL OF THESE. I pray that we will all stay ignited in passion for the work of the Lord.

Welcome home and welcome back!
