This week in **BIBLE STUDY MADE EASY**, as Solomon rules from Jerusalem, we take a look at the Proverbs. As the historical record has indicated, Solomon the wise king is the author of many of the thought provoking Proverbs. What are proverbs? Proverbs are brief poems, usually in the form of couplets, which set high ethical standards & give practical advice for daily living through the use of comparative, or perhaps antithetical, imagery.

Such poetic verses place high value on wisdom & sharply contrast good & evil, righteousness & wickedness, justice & injustice. These proverbs are distinct from other worldly proverbs in that these words are inspired by God. While the proverbs do not present a guarantee in EACH & EVERY SITUATION, they do give us a guideline on what to usually expect when the actions described are followed.

Don't forget to look at the GREEN TRAY because it always has BONUS information that will make your BSME study better. Don't overlook this valuable resource. The GREEN TRAY has NEW bonus materials and the black tray immediately behind the GREEN TRAY has last week's bonus materials.

How important is **BIBLE STUDY MADE EASY**? Here's what one 70 West member said about BSME: "I have already circled December 31, 2026, on my calendar because that will be the day I will have completely read the Bible from start to finish for the first time. It's all made possible by **BIBLE STUDY MADE EASY**. On that day I will celebrate!"

If you don't have a daily Bible reading program, you need **BIBLE STUDY MADE EASY**. There are so many options on how to use BSME. **Option #1**-Daily watch the 7-minute BIBLE PREVIEW which will give you a good summary of the reading. **Option #2**-Watch the daily Bible preview and read the text. This will require approximately 30 minutes daily. **Option #3**-Watch the daily Bible preview, read the text and LISTEN to the answers to the daily questions. This will require approximately 37 minutes daily. **Option #4**-Watch the daily Bible preview, read the text and RESEARCH the questions before listening to the answers. This will require approximately 60 minutes daily. **Option #5**-Do all of option #4 plus attend the Wednesday morning class where we dig deeper into the BSME study. So, there you have it ...daily invest 7-minutes or 30-minutes or 37-minutes or up to 60-minutes, it's up to you. **What amount of your time will you give God this week?**

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!

Welcomes You!

*So God said to him,
"Since you have asked for this
and not for long life or wealth for yourself,
nor have asked for the death of your enemies
but for discernment in administering justice,
I will do what you have asked.
I will give you a wise and discerning heart,
so that there will never have been anyone like you,
nor will there ever be.*
