

We have now PASSED the halfway point in our **BIBLE STUDY MADE EASY** reading. Congratulations to all who have achieved this goal and remember... it's not too late to join us in this study.

In our **BIBLE STUDY MADE EASY** readings this week we leave Judah and Israel (Samaria) behind for a day to visit Nineveh. In the midst of Jeroboam II's reign, sometime around 780-755 BC, we find one of the most interesting mission work ever recorded. God selects a man from southern Galilee by the name of Jonah to take a special message of repentance to the heathen Assyrians living in Nineveh. Nineveh is one of the most ancient of the large ancient cities, having been established by the warrior NIMROD (Genesis 10:11) back in the day of the early patriarchs (have you ever wondered how the nearby dam/lake just north of us got the name). Located east of the Tigris River, Nineveh was the royal residence of the Assyrian kings. Jonah's mission takes place between the reigns of Shalmaneser III and Tiglath-Pileser III, during the rule of a lesser-known king.

The basic improbability of the mission, as viewed through HUMAN EYES, is underscored when Jonah attempts to evade his responsibility and is swallowed by a large fish which God provides, to teach Jonah a lesson. Thereby convinced of God's limitless power after being rescued, Jonah proceeds to deliver the message that Nineveh is about to be destroyed and that repentance is in order. To his surprise (and even disappointment), Nineveh's inhabitants repent and are saved from the threatened destruction.

All in all, the account is an amazing demonstration of God's wonderful **GRACE** and divine **CONCERN** at a time when a rather exclusivist Judah/Israel is in great need of a reminder that, despite being God's chosen people, their failure to repent actually lowers them to a level of spirituality beneath their pagan neighbors.

As you picked up your daily BSME lessons, don't forget to look at the GREEN TRAYS because they always contain BONUS information that will make your **BSME** study better. Don't overlook this valuable resource.

How important is **BIBLE STUDY MADE EASY**? Here's what one person recently said about **BSME**: "As the name suggests... this is easy. I really have enjoyed the study so far and look forward to completing the study in December."

Don't forget to pick up your study guides. If you prefer, the study guides can be received every Monday by email. Just let me know and I will have your email address added to the email group list.

If you don't have a daily Bible reading program, you need **BIBLE STUDY MADE EASY**. There are so many options on how to use BSME, from 7-minutes per day and on up. **What amount of your time will you give God this week?**

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!

A Time to Plant

In Ecclesiastes 3:1-8, Solomon shows us that “to everything there is a season, a time for every purpose under heaven...” One of those times or seasons, he says, is a “time to plant.” We might also say a “time to sow.” We have an event coming up at the end of August (the 29th and 30th) that I’m extremely excited about. This event is going to help us, if we will implement what will be taught, to evangelize Hot Springs.

Rob Whitacre and his wife Nicole will be here that last weekend of August to introduce to us the House to House/Heart to Heart School of Evangelism. We need your help and support to implement this program if it’s going to work here. If we don’t have the cooperation of the membership at 70 West, this will not work and neither will anything else. Everyone will have a job to do.

Now that we know this event is coming, what can we do? We can get excited about it! We can encourage one another to be here on that Saturday and Sunday. We can be at each lesson, take notes, ask questions! Then we can take what we learn and put it to use!

Solomon said there is a time to plant...that time is now. We have a mission field in front of us. We have an opportunity to make an impact in our communities and bring souls to Jesus. Many of us don’t evangelize as we should because we don’t know how. That’s the purpose of this event is to teach us as a church how to better evangelize. Will you be there?!
