

I hope & pray that YOU have been able to attend BLAZE. If you have, you have been blessed by a spiritual feast! Thanks Josh & Willie & elders for organizing a great BLAZE!

This past week in **BIBLE STUDY MADE EASY** we entered the New Testament after completing a 9-month study of the Old Testament. Please be sure to pick up the bonus material in the green tray on 'My 25 Most Important Lessons from BSME's study of the Old Testament'. It was difficult to narrow it down to just 25 but 25 is all I could fit on one sheet of paper. What other lessons did YOU gain from our Old Testament study?

With the move from the Old Testament to the New Testament our daily Bible previews are now averaging 10-minutes instead of 7-minutues due to the importance of the material we are covering. With the daily Q & A, the average video is now around 15 minutes long.

This week in BSME's New Testament study we focus on Jesus' early work in Judea, Samaria, & Galilee. His early ministry is reported solely by the apostle John. John's account shows that Jesus' teaching initially appealed to the common people & resulted in many followers.

It is during this time that Jesus also performed His first miracles. Just as Nehemiah had done centuries before, Jesus wasted no time in confronting those who profane the sanctity of the temple worship.

Jesus also made it clear from the beginning that His message of salvation will extend beyond the Jewish nation to all people, even though His followers did not catch that at first. As if to emphasize the universality of His spiritual kingdom, Jesus took His ministry in those early years to the Samaritans. The people of mixed nationality & religion were long-time archenemies of the Jews ever since their Northern Kingdom ancestors were conquered by Assyria. Jesus' outreach to Gentiles could not begin more pointedly.

The ministry of John the Baptist will come to an end when he is imprisoned by Herod Antipas, the second son of Herod the Great, who was tetrarch over the provinces of Galilee & Perea. The reason for John's imprisonment will subsequently appear in our study.

Now, as I close out all my online Bible classes, it is our hope, it is our wish, it is our prayer that we all live for Jesus 24/7...may God bless YOU!
